Affirmation of Attendance

My Name is _____, and I am applying for an ECC Scholarship for College/University.

In order to qualify for this scholarship, I understand that I must be participating via ZOOM or whatever online platform is used by the Emmanuel Community Church (Small Groups Attendance, Bold Ministry and/or Wednesday Night Bible Study). This means that I am **almost always** participating and learning more about God and His work through our Lord and Savior Jesus Christ.

Please sign below that you can verify that I am **almost always** actively participating in the online Small Group Attendance. If, I have already moved away from my parents' home (while attending college) and can no longer attend or participate in person. I promise to continue to connect with the online Small Group Attendance while in college and during my college breaks... and when I am in town.

Please affirm that I was **almost always** actively participating in your Small Group Classes when I was locally living at home and online while I was away at school.
